Dear sir/madam

**Woolston & District Bowling Club Tour to Worcester – 31<sup>st</sup> August to 4<sup>th</sup> September 2017**

On behalf of all the members of the party comprising Woolston & District Bowling Club, for whom Airlynx Express supplied the transport, may I say a very big 'thankyou'. It was a lovely, comfortable coach to travel on, especially when you and using it for 5 days as we were.

Many things go together to make a successful tour. The clubs you play, the travel arrangements, and the tour accommodation, and I can say that all the comments I have received so far give the driver, Derek, and the coach 10 out of 10, so well done and a huge thankyou again.

I have to say I spent many a time talking to Derek about Airlynx Express and he is a fantastic ambassador for you. After making us all welcome, he just set off and from start to finish of the tour he was fantastic. I very much get involved with coach hire for the club during the year. We normally have about 10 away matches each year plus the tour, and sometimes our coffee morning ladies organise trips to resorts or towns for the day. I always had the impression that Airlynx Express was basically about Airports and ports group bookings so we generally gave them a miss but Derek soon put us right on that matter so as soon as I know more details about next year's fixtures and tour I will be getting in touch.

Finally, will you please pass on the thanks of all the 'tourists' to Derek, who through his own inimitable style made our tour so pleasurable.

Yours sincerely

Ron Ford
